

## QUALITY POLICY

ADVEEZ's profitability and sustainability depend on the trust and loyalty of our customers. Our desire is to develop global solutions that create added value.

To achieve this, we must constantly, through our ISO 9001 (2015) quality management system implemented:

- ☐ Listening to our customers
- ☐ Increase the reliability of our products
- ☐ Increase company awareness
- ☐ Identify opportunities for continuous improvement.

We are therefore committed to implementing the ADVEEZ quality policy, to complying with the applicable legal and regulatory requirements and to continuously improving the effectiveness of the quality management system under the guidance of the management committee, the leadership of the quality manager and by involving all staff.
